A Message from The President

August is flying by. I must apologize that the Beacon has been delayed in distribution. This summer has been very busy!

The July picnic was well attended, and we will have another on Saturday, September 3rd, 2022, from 12:00 pm to 2:30 pm. This will not be a potluck. The Association will be providing Hot Dogs and prepackaged salty snacks. We are asking that if you are going to join us that day you bring anything else you may want to have with your hot dogs and snacks, this includes beverages. REMEMBER: NO GLASS CONTAINERS OR ALCOHOL ARE ALLOWED AT THE POOL! Hope to see you there!

Some other updates and information.

Call Multiplier - We have started using the Call Multiplier to notify you of important things going on in the community. If you have not received a call from Mystic Harbour, please provide your phone number to MHHOA21811@gmail.com or place a note in the payment box on the corner of Whale and Dockside.

Pets - Just a reminder! Pet Owners must be in control of your pet by some means. There have been a couple of incidents in the last few months.

Swimming pool – Anyone that has gone to the pool recently has probably seen that Phil Butler is back at our pool this year. This was in part due to a request that we made to the pool company. We are glad to have him back!

Boat/storage yard – We are still having issues with boats and trailers in the yard. If you have completed the application and been given the code for the lock, DO NOT SHARE IT WITH ANYONE ELSE! Here are some of the photos of unknown vehicles in the yard. If any of these belong to you or you know who owns it Please let the association know either by email or written notice either in the payment box or mail to the PO Box.

If these are not removed or we do not have notification of to whom they belong, they will be removed at the owner's expense on Thursday, September 1, 2022.

September 17th, 2022
9 am to 3 pm.

VP Gina Pappalardo has been organizing a community wide yard sale. If you are interested in participating or have questions, please contact her directly at ginamhhoa@gmail.com.

Lawn care - The board has been continually monitoring issues as they arise relating to our lawn care services and will continue to do so through the rest of the season. Rick will continue to be point person to deal with those issues directly with the contractor.

Reminder, there will be no board meeting in August. Our next meeting is scheduled for Saturday, September 10th at 10am in the clubhouse.

Thank You,
Corey Rimel, President
